Tips for Choosing a Topic

- Think about your topic.
- Make a list of special things that you could write about: a hobby you have, a job you do at home, how you care for a pet, something you know how to do very well.

- Draw pictures of each step.
- Talk with a partner about your drawings. Explain each step. Ask your partner if each step is clear.

- Think about your partner's ideas. Change your drawings to make the steps clear. Add drawings for any steps that you left out.
